1940 WHOLESALE PRICE LIST—FOR DEALERS ONLY

We guarantee all plants to be true to name. All plants graded and packed by experienced graders and packers.

Please state how items are to be sent. Most items go by express. Small lots are sometimes cheaper by parcel post. Very heavy lots are cheaper by freight. But if weather is very hot freight is not safe. In event no instructions are sent we use our best judgment, but assume no risk. Large orders are shipped C. O. D. to customers we do not know. We advise delaying shipments on plants until ripened. However, they may be shipped in the growing or blooming stage, but it is not a good time to move plants. We are ready to ship your order at any time. But if the weather is hot it is not safe to ship plants, and we advise waiting until the weather is cooler. We will do our best at any time. We will assure you good plants and cheaper than you can get elsewhere.

TERMS—2% DISCOUNT FOR CASH—ALL PACKING FREE

All responsible parties will be given credit for thirty (30) days from date of shipment. We do not care to sell less than 250 at these prices. Most items may be had in thousand lots, many in five and ten thousand lots. Let us know your needs and we will quote you promptly. And your orders will be shipped promptly.
